

Appl. No. 10/510,125  
Amdt. dated August 10, 2010  
Reply to Office Action of 5/10/2010

This listing of claims will replace all prior versions, and listings, of claims in the application:

**Listing of Claims:**

1. (Currently Amended) An absorbable, amphiphilic, solid copolyester stent coating composition for multifaceted prevention of vascular restenosis through a plurality of physicopharmacological modes comprising ~~at least one~~ two pharmacologically different bioactive compounds and a segmented/block copolymer comprising a central polyoxyethylene segment and at least one terminal segment obtained ~~from~~ by the ring-opening polymerization of at least one cyclic monomer, the copolymer further comprising at least ~~one~~ two carboxyl groups per chain formed from anhydride side groups. the anhydride side groups introduced by free-radically achieved maleation of the polymer chain, the ~~at least one~~ two bioactive compounds selected from antineoplastic drugs, non-steroidal, anti-inflammatory drugs, and antiplatelet aggregation drugs.
2. (Cancelled)
3. (Cancelled)
4. (Cancelled)
5. (Currently Amended) An absorbable stent coating as set forth in claim 1 wherein the ~~at least one~~ two bioactive compounds comprises an antineoplastic agent and a non-steroidal anti-inflammatory drug.
6. (Withdrawn) An absorbable stent coating as set forth in claim 1 wherein the at least one bioactive compound comprises an antineoplastic agent and an anti-platelet aggregation drug.

Appl. No. 10/510,125  
Amdt. dated August 10, 2010  
Reply to Office Action of 5/10/2010

7. (Withdrawn) An absorbable stent coating as set forth in claim 1 wherein the at least one bioactive compound comprises an antiangiogenic agent and anti-platelet aggregation drug.
8. (Currently Amended) An absorbable stent coating as set forth in claim 1 wherein the ~~at least one~~ two bioactive compounds comprises paclitaxel and a non-steroidal anti-inflammatory drug.
9. (Cancelled)
10. (Cancelled)
11. (Cancelled)
12. (Previously Presented) An absorbable stent coating as set forth in claim 1 wherein the non-steroidal anti-inflammatory drug comprises naproxen.
13. (Cancelled)
14. (Cancelled)
15. (Cancelled)
16. (Cancelled)
17. (Original) A metallic endovascular stent coated with the absorbable stent coating of claim 1.
18. (Original) An absorbable endovascular stent coated with the absorbable stent coating of claim 1.
19. (Cancelled)
